Graduating Students Survey Form

(To be filled out by the student – at the time of graduation)

The survey seeks graduating students' input on the quality of education they received in their programme and the level of preparation they had at the University. The purpose of this survey is to assess the quality of the academic programmes. We seek your help in completing this survey.

Nam	ne of Student:									
Registration Number:			Telephone Number:							
E-Mail Address:			Signature and Date:							
Use	the scale below to a	nswer the following o	questions and make co	ommen	ts.					
	A = Excellent				= air	E = Poor				
1.	•	nental engineering tec een provided to me du		A	В	C	D	E		
2.		provided me with prob	olem analysis skills.							
3.	I am able to design and develop solutions to technical problems.									
4.	I can perform inv	n investigation of a technical problem.								
5.	Adequate skills have been provided to use modern tools.									
6.	Social issues related to engineering technology have been discussed.									
7.	Sustainability and technology were	d environmental aspectaught.	cts of engineering							
8.	I recognise my et	hical and professiona	l responsibilities.							
9.		ded opportunities to whose of a team on proj								

10.	I am able to effectively communicate through oral and written mediums.
